Classification of Dahlias

CLASSIFICATION OF DAHLIAS

CACTUS DAHLIAS—Are known by their long, pointed and twisted petals.

DECORATIVE DAHLIAS—Include all loose flowering varieties and those with large flat petals.

SHOW DAHLIAS—Include all large, well formed flowers of a single color, and those in which the ground color is of a lighter shade than the edges or tips.

FANCY DAHLIAS—Include nearly all variegated varieties, the ground color being darker than the edges or tips.

POMPON DAHLIAS—This class embraces all of the small varieties.

SINGLE DAHLIAS—Have but a single row of petals.

PEONY FLOWERED DAHLIAS—Are of immense size, having two or three rows of petals.

My Business Methods

GUARANTEE—I guarantee all tubers sent, to be true to name, and their arrival in good condition, if any are defective, they must be returned immediately and I will replace them.

TERMS—Cash must accompany each order.

ORDERING DAHLIAS—When ordering dahlias, please state whether they are to be sent Express Collect or by Parcel Post, if by Parcel Post add 2c per root.

Gratis roots will be put in, to part pay, postage and express.

Customers should write their orders as plainly as possible; also their name and address.
